SBA BONDING MADE SIMPLE

Valley Surety Insurance Agency also writes SBA guaranteed bonds. The SBA Bond Program is for the qualified small business contractor of good character and reputation who is required to have a bid, performance or payment bond in order to obtain a contract, including but not limited to firms in construction, repair, maintenance, service, supply and manufacturing provided a bond is not obtainable on reasonable terms and conditions without SBA's assistance. The program's long-range objective is to assist the small and emerging contractors to become bondable on their own merits.

Please provide the following information for a SBA submission, full submission of the following information will secure our earliest response:

1. Business Financial Statements:

- A. Last three (3) fiscal year-end Business Financial Statements. If the last three (3) fiscal year-end business financial statements are not available submit copies of your last last three Federal Income Tax Returns.
- B. Contracts less than \$400,000.00, the Financial Statements of the firm can be internally prepared and computer generated that tracks with previous financial statements. However the data submitted must be in such form and completeness as to allow the Underwriter to decide the financial merits of the case based on substance, rather than on the type of the statements.
- C. Contracts ranging from \$400,000.00 to \$1,000,000.00, the Financial Statement must be compiled by a Certified Public Accountant with full notes and schedules.
- D. Contracts in excess of \$1,000,000.00 to SBA statutory limitation of \$5,000,000.00 the Financial Statement must be prepared by an independent Certified Public Accountant. This statement must be reviewed as defined by the AICPA and should be prepared using the percentage of completion method of accounting. The six month interim business financial statement must be prepared by a CPA and must be compiled.
- E. Interim Business Financial Statements are required to be submitted six months after the fiscal year-end statement.

The business financial statements must be prepared using the accrual method of accounting however the percentage of completion method of accounting is preferred. The cash method of accounting is not acceptable. Please note that the contractor must sign and date all balance sheets contained in the Business Financial Statements to attest that he has read these statements.

2. Personal Financial Statement with last available Federal Tax Return:

- A. If Sole Proprietorship, owner must submit a separate Personal Financial Statement.
- B. If Partnership, each partner must submit a Personal Financial Statement.
- C. If Corporation, each officer must submit a Personal Financial Statement.
- D. Indemnitor

Please note that the owners must sign and date the personal financial statements.
